# Hula

The flexible powerchair that revolves around you

## Excellent indoor manoeuvrability

- The Quickie Hula's **true mid-wheel drive position** means it can literally turn on the spot for great indoor manoeuvrability.
- A **narrow width** of just 63cm (25") enables easy access through doors and confined spaces.
- A **very low seat height** provides easy transfers and access under tables. Seat height is adjustable between 45cm - 47cm (17 - 19") via the seat post and seat angle.

## Impressive outdoor performance

- The advantages of the Quickie Hula's **true mid wheel drive** can be seen outdoors too, the central drive wheel increases traction and stability, and reduces sliding.
- The Quickie Hula's **unique suspension system** means it can climb 5cm (2") thresholds and tackle slopes of up to 6° - ideal for use in the garden or for short trips out of the home.
- **Crash tested** and approved to ISO 7176-19 to give you peace of mind that you're using a safe chair.

## Flexible seating - now and in the future

The Hula uses the same seat as the Quickie Salsa and can be easily adjusted to a size to suit you. Choose from a wide range of options to enhance your comfort and meet your clinical needs. The Hula can be tailored to meet your requirements now and can be easily adapted for the future.

- Seat width 41 to 51cm (16 - 20")
- Seat depth 41 to 51cm (16 - 20")
- Seat height 41.5 to 51cm (16 - 20")
- Seat angle 0°, 3°, 9°
- Backrest angle 0° -12°

## Impressive standard specification

- Tension adjustable backrest
- Central flip-up footplate
- Flip back armrests
- 25cm (10") drive wheels
- 20cm (8") castors
- 36Ah batteries
- Suspension
- VR2 programmable controller

## The powerchair that revolves around you

As well as the impressive standard specification, the Hula is available with a variety of extras to enhance your comfort. Select from the range of JAY Comfort Seating, or more clinical options, like lateral supports - the Hula has it all.

All options are modular which means they can be easily added or removed at a later date, adding to the flexibility that's been designed into the Hula.

Manual elevating legrests

Adjustable lateral supports:  
for sling or Comfort back

Available with full range of  
JAY Comfort backrests  
and cushions
